

Product Description

Akona® Gray Pourable Concrete Crack Filler is a ready mixed, pourable material for filling cracks up to ¼" deep x ¼" wide. It is gray in color to blend with concrete surfaces and is flexible to conform to movements of active cracks. For larger cracks and holes, use Akona® Vinyl Cement Patch.

When/Where to Use

For filling narrow holes / cracks in:

- Driveways
- Steps
- Sidewalks
- Floors
- Patios
- Driveways

Advantages

- Ready to use
- Flexible
- Gray in color

Available Sizes:

1gal. bottle or 1qt. bottle

Coverage

Approximately 40 feet (quart) or 160 feet (gallon) at ¼" deep x ¼" wide.

Helpful Items:

Preparation:

Always remove all loose and unsound materials. Thoroughly clean all surfaces of dirt, dust, grease or other contaminants which could interfere with bonding.

Mixing

Shake Gray Pourable Concrete Crack Filler bottle to ensure a uniform mix before application. Prior to use, place container in a warm location or submerge in hot water for better flowability.

Application

For best results, apply when temperatures are above 50°F within 48 hours of application or when rain is not expected within 24 hours. Gray Pourable Concrete Crack Filler cures by air drying; therefore, cooler temperatures will retard drying while higher temperatures will accelerate drying. Clip spout close to the end for narrow cracks and at a wider point for larger cracks. Pour Gray Pourable Concrete Crack Filler into the crack and fill only to ⅛" from surface. This technique will allow foot and vehicle traffic to resume immediately on narrow cracks. Clean up with soap and warm water as soon as application is completed. Protect new surfaces from use until material is completely hard and set.

Clean Up

Typically water will satisfactorily clean tools after using Akona® Gray Pourable Concrete Crack Filler. If the material has begun to harden, warm soapy water may be helpful for cleaning hands and tools.

Warranty:

Seller warrants that its product will conform to and perform in accordance with the product specifications. The foregoing warranty is in lieu of all other warranties, express or implied, including, but not limited to, those including merchantability and fitness for a particular purpose. Because of the difficulty in ascertaining and measuring damages hereunder, it is agreed that, seller's liability to the buyer at no point for any particular project shall exceed the total purchase price of said product.

WARNING: INJURIOUS TO EYES!

KEEP OUT OF REACH OF CHILDREN!

PRECAUTIONS:

Avoid contact with eyes and skin. If contact with eyes occurs, flood eyes repeatedly with clean water and see a physician immediately. Do not rub eyes. Wash hands thoroughly after handling or before eating with warm, soapy water. Do not take internally. Keep out of reach of children.
